III. AGENDA

A. NOTICES/REPORTS

1. **Landfill Update:** Landfill Department Head Craig Heward appeared before the Commission to discuss services. Lee Dille updated that about ten (10) loads of the brush pile and about twenty (20) loads of the organic pile were hauled out of the Rockland Landfill site, however, the brush pile was not part of the original contract and would need to be paid separately. Lee Dille reported that the pouring of the concrete bins at the Rockland site should be done sometime this week. Commissioner Lasley concurred with Mr. Heward that the brush pile wasn't a part of the contract directed Mr. Heward to assure an invoice be sent for consideration of payment. Mr. Heward advised that the Landfill phone line is down due to the road being dug up. Mr. Heward advised that the FFA will be collecting garbage for residents of Rockland as an FFA project. Commissioner Anderson directed Mr. Heward to make contact with ABC Auto regarding his cars located at the Landfill and if he doesn't want them, then they are to be added to the Landfill's crush pile. Mr. Heward was given several directives and will report back to the Commission on November 5, 2018, for an update.
